

BECOME A NOUSENS COACH

An Exclusive Opportunity for Somatic, Embodiment, and Ontological Coaches to contribute to the Learnbyfeeling method

Dive into the NOUSENS Experience

Elevate your coaching expertise with NOUSENS. Immerse yourself in a platform dedicated to the profound science of embodiment. Distinguish yourself in a specialized community, engage in continuous learning, and broaden your impact. Join us and redefine your coaching journey.

At its core, NOUSENS is more than just a platform; it's a transformative movement. We are pioneering a holistic approach that seamlessly blends the intricate wisdom of embodiment, the depth of somatic practices, and the groundbreaking insights of the Polyvagal Theory. If you resonate with these principles and have honed your skills in these domains, we extend a warm invitation for you to join our distinguished community.

Why Should You Consider This Opportunity?

Distinctive Positioning: Elevate your profile in a specialized community that's deeply rooted in the sciences of embodiment and somatic practices. Here, your unique skills won't just be another drop in the ocean; they'll be celebrated and sought after.

Never-Ending Growth: Gain privileged access to our proprietary 'Learn By Feeling' Methodology and platform. This ensures you're always equipped with cutting-edge techniques, knowledge, and tools that set you apart in the coaching realm.

AI Integration Training: As part of our commitment to staying at the forefront of coaching techniques, we offer exclusive training on how to effectively integrate AI into your coaching sessions. This training will empower you to harness the potential of AI, enhancing your sessions and offering a unique edge to your coaching style.

Broaden Your Horizons: As a NOUSENS coach, you'll be prominently showcased to our user base. This means you'll be the go-to choice for those seeking intensive, personalized 1:1 coaching experiences that delve deeper into the realms of embodiment and somatics.

The NOUSENS Benefits:

Experts Community: Immerse yourself in a community that's exclusively curated for experts in embodiment, somatics, and the Polyvagal Theory. Here, every conversation is an opportunity to learn, grow, and collaborate.

Collaborative Opportunities: Engage in enriching collaborations, hands-on workshops, and exclusive events that are tailored for our coach community.

Unwavering Support: Benefit from our continuous training programs, resources, and support mechanisms designed to refine and amplify your coaching techniques.

Recognition & Respect: At NOUSENS, we don't just acknowledge your expertise; we actively promote it, ensuring you receive the recognition and respect you truly deserve.

Interested in exploring a new direction in your coaching journey? Connect with an audience passionate about embodiment and somatics. Discover the potential of becoming a NOUSENS Coach and contribute to the evolving world of coaching.
